## THE HEBRIDEAN HEATHER

The Hebridean Heather tartan is out of the same family as the Hebridean Granite and the Hebridean Thistle. It was created for the new House of Edgar Collection by their designer Kirsty Anderson and Smiths Highlandwear is one of a handful of stores in Scotland where this tartan is available.

The Hebridean Heather outfit is one of contemporary class, particularly with the back shirt and burgundy cravat to match. The tartan itself is grey with a dark red pinstripe and white, and is proving to be very popular.

**Hire this outfit including a shirt and cravat for £50 (Adult / Child)**

*Free upgrade to a dark grey tweed jacket*

## THE GREY ISLE

EXCLUSIVE TO *Smiths*

The stylish Grey Isle is our most popular outfit, something we're particularly proud of at Smiths. That's because you won't find it anywhere else as we are the exclusive suppliers.

A recent addition to our collection, we took the colouring of the Grey Spirit and employed a slightly darker yam to bring our customers this unique choice.

As with our whole tartan range, the Grey Isle is available for children, so your laddie can proudly wear the same as his daddy!

**Hire this outfit including a shirt and cravat for £50 (Adult / Child)**

*Free upgrade to a dark grey tweed jacket*

## THE BLACK ISLE

EXCLUSIVE TO *Smiths*

The Black Isle is the newest arrival into our extensive hire range, and has proven to be an immensely popular choice.

It is ideal for those looking for a contemporary look, but wanting something a bit different as this stylish tartan is exclusive to Smiths Highlandwear.

As with all our tartans, the Black Isle is also available for children from Age 1 size.

## THE SALTIRE

The traditional Argyll Jacket, shown here and on the previous pages, is part of our most popular highlandwear outfits.

According to traditional wisdom, the jacket should be worn with either a belt or waistcoat, however many people nowadays prefer to combine both, creating a distinguished and finished look.

Pictured here is the Saltire outfit which effortlessly captures the beauty of the St Andrew's cross featured on the back of the kilt. This outfit is the epitome of Scottish patriotic pride and is ideal for all 'true Scotsmen' out there!

**Hire this outfit including a shirt and cravat for £80 (Adult) & £65 (Child)**

*Hire 5 outfits and pay even less (£75 per adult and £60 per child)*

*For Saltire Sporrán please add £20*

## GREENOCK MORTON FC EXCLUSIVE TO *Smiths*

Designed by Smiths Highlandwear in 2006 in conjunction with the football club, the Greenock Morton tartan is inspired by the colours of their crest. The royal blue and yellow combine beautifully with the white strand adding stylish definition.

Officially approved by the club, it is used by the team at all their formal functions, with players old and new, including Andy Ritchie, Chris Millar and Peter Weatherson, having proudly worn this kilt.

And its not just Cappielow regulars or those who have graced its turf that have chosen this tartan, as it has now become one of the most popular in our range.

**Hire this outfit including a shirt and cravat for £95 (Adult) & £75 (Child)**

*Hire 5 outfits and pay even less (£85 per adult and £65 per child)*

## SPIRIT OF SCOTLAND

The Spirit of Scotland outfit is one of great sophistication combining a strong purple and navy. This tartan goes particularly well with a Black Argyll jacket and High Button waistcoat creating an exceptionally distinguished and contemporary look.

Highlandwear, like all forms of dress, has evolved over the years, resulting in greater choice for you. So whether you are looking for contemporary or traditional Highland Dress, we'll help you find the perfect match.
