

# THE GREY ISLE

EXCLUSIVE TO *Smiths*

The stylish Grey Isle is our most popular outfit, something we're particularly proud of at Smiths. That's because you won't find it anywhere else as we are the exclusive suppliers.

A recent addition to our collection, we took the colouring of the Grey Spirit and employed a slightly darker yam to bring our customers this unique choice.

As with our whole tartan range, the Grey Isle is available for children, so your laddie can proudly wear the same as his daddy!
